Amsterdam: John Benjamins, 365–390. [hal-01666029](https://hal-01666029)

### Teaching activities & Supervisions

#### Teaching activities

- **Bachelor in Linguistics:** *History of the Deaf community, Introduction to Sign Language linguistics, Sign Language morphology and semantics, Sign Language Typology, General Linguistics, Iconicity in grammar*
- **Master in Linguistics:** *Annotation of Sign Language, Corpus linguistics, Methodology of research*

## **Supervision of Master and PhD students – PhD committees**

- Supervision of 9 PhD students, including 5 completed PhD thesis, 4 current PhD students.
- Member of 10 PhD jury defences.
- Supervision of 78 completed Masters dissertations in Linguistics, Sign Language Interpretation, Didactics (by Hearing and Deaf students) and 12 completed Bachelor thesis.

## **Institutional Responsibilities**

### **Responsibilities of degrees & curricula**

- Since 2013: **Responsible for the DPCU degree** (bac +2) « Spécialisation d'enseignement de la LSF » (15 Deaf students/year), University of Paris 8 – UFR SDL, Formation Permanente and Association Visuel-LSF.
- Since 2008: **Responsible for the Licence Professionnelle degree** (bac +3) « Enseignement de la LSF en milieu scolaire » (12 Deaf students/2 years), University of Paris 8 – UFR SDL, Formation Permanente, INS-HEA and Association Visuel-LSF.

### **Other mandates**

- 2013-2019: **Responsible of the Sign language Department** (10 permanent positions), UFR Language Sciences, University of Paris 8.
- Since 2021: **Co-responsible of the Deaf and Sign language Group**, CNRS SFL laboratory
- Since 2008 : Member of the UFR Language Sciences committee, University of Paris 8.
- 2007-2012: **Policy Officer for Disabilities** at the University of Paris 8.

## **Research projects (selection)**

- 2023-2025: Responsible for France of the **Erasmus+ Project BAG-SIGN** *Be Aware of the Grammar of Five Sign Languages* (PI: Germany, with Austria, Switzerland, Italy, France).
- 2018-2022: Deputy coordinator of the International Research Network **EURASIGN Comparative Approaches on European Sign Languages** (PI: B. Garcia, France, with Germany, Italy, Belgium, Spain).
- 2021-2022: Responsible for France of the **CLARIN** project for the creation of a **Sign Language Resource families**, in collaboration with the MPI and the University of Nijmegen, the University of Stockholm and the ILSP of Athens - <https://www.clarin.eu/resource-families/sign-language-resources>
- Since 2017: Responsible of the network-group *Multimodalities and New Forms of Communication* (GP2) with C. Poudat and C. Wigham du **consortium CORLI** funded by HumaNum.
- 2007-2012 : Responsible of the Acquisition part for the **ANR Project CREAGEST**, ANR (Univ. Paris 8, Univ Paris 5 - CNRS Caen, Univ Lille 3), PI: Brigitte Garcia.
- 2009-2010: Member of the **Sign Linguistics Corpora Network** (PI: O. Crasborn), réseau international pour la mise en place de standards dans la création, la sauvegarde et l'annotation des corpus de LS.
- 2006-2008: Member of the **Mauritius Sign Language Project** (PI: A. Gebert, INJS de Paris, Ministère de l'Education nationale de l'île Maurice, Ambassade de France, Univ. Cologne, Univ. Paris 8).
