*Doctoral School, University of Turin*

2020-2024  
**Representative of PhD Students**  
*University of Turin, Department of Humanities*

**Research fields** Phonetics, prosody, information structure, cross-linguistic influence, L2 acquisition

## Education

2020 – 2024

### **PhD in Linguistics (Sciences du langage)**

University of Turin, University of Paris 8

*Title of the thesis:*

“Focus induced variations in prosody and word-order in native and non-native Italian and French”

Supervisors: Antonio Romano, Cecilia Andorno, Sandra Benazzo, Fabian Santiago

2016 – 2018

### **MA Translation studies**

*Title of the thesis:*

“Acquisition de la consonne rhotique en français L2 par des adultes italophones résidant en France”

Università di Torino, 110L/110

Supervisor: Antonio Romano

2012 – 2016

### **BA Linguistics**

*Title of the thesis:*

“Prosodic and textual features of French language in the news: a sample analysis of Canadian French and Senegalese French productions”

Università di Torino, 105/110

Supervisor: Antonio Romano

## Study and research stays

2025 (May-October)

### **Junior Research Fellow**

Project “Prominence in Language” (A07 – Metrical prominence - Scales and structures)

*Collaborative Research Centre 1252, Universität zu Köln (Germany)*

Principal Investigator: Stefan Baumann

2021-2022

### **Visiting PhD student**

*Laboratoire SFL - Structures Formelles du Langage, CNRS / University of Paris 8 (France)*

2018

### **Visiting Undergraduate Student**

*Laboratoire DDL - Dynamiques du Langage, CNRS / University of Lyon 2 (France)*

2017-2018

### **Erasmus**

*University of Lyon 2 (France)*

## Teaching

### Lecturer

#### **General Linguistics (36 hours, 6 CFU)**

a.a. 2025/2026 - University of Turin, Dep. of Foreign Languages, Literatures and Modern Cultures  
c.d.l. L-11 *Lingue e letterature moderne*
